
Fuzzy Logic Spatial Modelling Applications Natural

chapter 8 a fuzzy approach to ecological modelling and ... - a fuzzy approach to ecological modelling 127 procedure for spatial data, the so-called kriging. fuzzy kriging utilizes exact (crisp) measurement data as well as imprecise estimates (defined as fuzzy numbers) obtained from an expert. this means, the fuzzy kriging method can also be used where there is an insufficient amount of exact data (e.g. measurement data) and the conventional kriging ... **reconnaissance-scale conceptual fuzzy-logic prospectivity ...** - nykañen et al. (2005) used fuzzy-logic spatial modelling to integrate high-resolution geophysics and regional-scale till geochemistry at the target scale. fuzzy logic was also used by rogge et al. (2006) to integrate geological maps, geochemistry, aeromagnetic data and satellite radar data for shear-hosted gold mineralisation potential. these papers give an overview of different approaches ... **spatial decision support system, fuzzy logic modelling and ...** - spatial decision support system, fuzzy logic modelling and illustrative maps of potential nodule resources in the ccz huaiyang zhou school of ocean and earth science **neural network, genetic, and fuzzy logic models of spatial ...** - neural network, genetic, and fuzzy logic models of spatial interaction 1859 generalising the spatial interaction model an immediate difficulty that faces all attempts at novel spatial interaction modelling is **fuzzy spatial analysis techniques in a business gis ...** - the use of fuzzy logic in comparison to crisp classification techniques and modelling with crisp operators for solving the problem is illustrated, and more generally how the use of fuzzy logic may be to the advantage of businesses. **fuzzy modeling with spatial information for geographic ...** - this volume, fuzzy modeling with spatial information for geographic problems, provides many stimulating examples of advances in geographical research based on approaches using fuzzy sets and related technologies. **municipal solid waste generation modelling based on fuzzy ...** - municipal solid waste generation modelling based on fuzzy logic nikolaos v. karadimas alessandra orsoni vassili loumos kingston university national technical university of athens school of business information management **resource assessment using gis modelling of orogenic gold - introduction wellington goldfields & orogenic gold wellington wind energy weights of evidence spatial modelling fuzzy logic spatial modelling model results & land management fuzzy logic applied spatial queries in geographic ...** - theories is fuzzy logic. the fuzzy logic theory gives the possibility of the fuzzy logic theory gives the possibility of enhancing spatial data management with the modelling of uncertainty. **geo-spatial tactical decision aid systems: fuzzy logic for ...** - geo-spatial tactical decision aid systems: fuzzy logic for supporting decision making raffaele grasso nurc, nato undersea research centre la spezia, italy **spatial modelling of adaptation strategies for urban built ...** - fuzzy logic was the spatial analytical tool used in the integration of flood risk components (hazard, vulnerability, and exposure) and in the generation of flood risk and adaptation capacity indices. **ecosystem services and hydroelectricity in central america ...** - modelling service flows with fuzzy logic and expert knowledge ... spatial modelling of flows of multiple services produced by diverse ecosystems and benefiting diverse users. as judgement is inevitable in a context of data scarcity and uncertainties (heal et al. 2004), the method uses expert knowledge elicitation and fuzzy numbers. the elicitation of stakeholder values or expert knowledge ... **a type-2 fuzzy logic based system for augmented reality ...** - a type-2 fuzzy logic based system for augmented reality visualisation of georeferenced data anasol peña-rios, hani hagrass, michael gardner the intelligent environments research group
